“JENNA WAS FANTASTIC FROM FIRST CONTACT, AND WE WERE ECSTATIC WITH THE BOUQUETS AND BUTTONHOLES ON THE DAY, THEY WERE TRULY BEAUTIFUL, EXACTLY WHAT WE WANTED TO ACHIEVE.

SHE WAS REALLY HONEST, AND KNOWLEDGEABLE WITH WHICH FLOWERS WERE LIKELY TO BE AVAILABLE, FITTING WITH THE SEASON OF YOUR WEDDING DAY. BRYONIA MANAGED TO PICK THE MOST AMAZING FLOWERS TO FIT OUR COLOURS.

WE ALSO HAD TO MOVE OUR WEDDING FORWARD, JENNA WAS SO ACCOMMODATING AND HELPFUL WITH LAST MIN CHANGE. WE ARE SO HAPPY WITH OUR CHOICE OF FLORIST FOR OUR WEDDING DAY.”

Seasonality and nature are at the heart of all our arrangements, so instead of promising specific flowers for your day, we will cherry pick the best from multiple local growers and gardens.

We consistently spend time on flower farmers, and have got stuck in working at a few of them, so we're very clued up as to what's achievable when working seasonally and what's likely to be growing for the month of your wedding.

We are a member of Flowers From The Farm, which champions British grown flowers, and enjoy growing our own mix of homegrown blooms when time allows too.

We love to work in a style which champions colour, playful shapes and wild abundance, whilst ensuring the environment is also considered.

You can find out more about the specific flowers available for your wedding during our complimentary consultation, but until then, we've created a snippet below through our seasonal mood boards, ready for you to enjoy.

Can I request specific flowers?

We don't have control over what will be available on the date of your wedding, as this is left in Mother Nature's hands, so we are unable to confirm specific varieties. However, we can advise on likely flowers based on previous years.

Will you provide designs?

Our style of working is always led by nature, so instead we'll look to provide you with a mood board of flowers & colour palettes, rather than set designs in advance. This allows us creative freedom and to pick the very best flowers for your wedding.

Where do you get your flowers from?

A mixture of local growers, gardens and our own growing patch. We source all our flowers very carefully, with sustainability in mind.

Can I change/edit my proposal?

Please get in touch to discuss your proposal if you would like to make any changes.

Will **you** do our flowers?

Bryonia will work closely with an experienced team to create your flowers, and all arrangements will be led & designed by Jenna.

How do we reserve our wedding date?

Please complete the enquiry form on our website to organise your complimentary consultation to discuss our wedding flowers.
